ACTIVITY HIKING

Hike to Spitakasar

Livestock Keepers Tourism Livestock Keepers Tourism

The tour starts from the central square of Gavar or from Yerevan, according to prior arrangements. We will go to the springs of Gavaraget by UAZ or Willys car, from where we will start our hike to Spitakasar mountain. The relative height of the mountain is around 400 m. Tourists can expect a hike of medium difficulty, lasting about 8 hours.
Spitakasar is located at an altitude of 3555 m, the relative height is about 400 m. The slopes and the top of the mountain are covered with white sand, which is why the mountain got its name.
Tour duration: 12 hours
During the tour we will visit:
Origins of Gavaraget
Spitakasar peak
Gazi Lake
Gridzor rocks.
