The glamping pods in Urtsadzor were built in 2022. This trendy form of luxury camping is proved to be attractive especially for young couples and families or anyone who loves the feeling of freedom and adventure without the uncomfortable aspects. The two pods are located in the Caucasus Wildlife Refuge (<http://cwr.fpwc.org/>) (CWR), next to our multifunctional Eco Lodge (Urtsadzor). From our fully equipped pods opens the unique and mountainous landscape of CWR: here you can encounter bezoar goats, wild horses, fascinating birds (bearded vulture, golden eagle, cuckoo) inhabiting the area. As a perfect ending for your day we highly recommend you to take some time for stargazing on the terrace of your pod (believe us, it's worth it!).
