

Barbecue making masterclass

 B&B Odzun

 B&B Odzun

We offer an Armenian traditional barbecue making master class and tasting.

During the master classes, tourists are given the opportunity to participate in all the processes of making, to be fully informed about the details and nuances, extra time is allocated to satisfy all questions, interests, filming is allowed as well.

Only fresh meat of naturally raised animals is used for barbecue - the spices are unique.

The masterclass is organized in the yard of **Odzun B&B**, 50 meters away from which there is a deer forest, Odzun monastery, a monument dedicated to the victims of the First World War.
