

Photoshoot with the traditional costumes

📍 Zanan

👤 Zanan Cultural Center

In the current collection of "Zanan" there are more than 15 costumes of different periods - dresses sewn with costume decorations, as well as jewelry. The tailors of the salon use different ethnographic books and pictures to sew them. The collection includes "Armenian costumes of the XVIII - XIX centuries" published by the History Museum of Armenia. Examples of costumes from almost all historical-ethnographic regions of Armenia in the album-catalog.
