

# FLIGHT WITH INSTRUCTOR

📍 Sky Club Armenia

👤 admin admin

As an option is possible to make Cross-Country flight – takeoff and landing place may be from each other at a distance of 50km. Such flight could last more than an hour and distance is dependent on weather conditions and the presence of thermal flows.

The passengers should be in sportswear, it is desirable to have sunglasses, hat, sunscreen. 😊 The flight can be cancelled due to adverse weather conditions, or take less duration due to the lack of thermal flows.
