VISIT NAIRIAN FARM

NAIRIAN NAI RIAN

WE WELCOME YOU

The Nairian farm & laboratory sits on the slope of Mount Ara, in a charming village called Aragyugh. It is home to our entire production process from beginning to end: plant cultivation, essential oil distillation, cosmetic formulation, and packaging. As part of our commitment to transparency and our desire to promote sustainable farming practices, we are opening our facilities to the public!

COME AND SEE

• how medicinal herbs and flowers are cultivated and turned into all-natural cosmetics.
• walk through the experimental garden and participate in flower pick-up event (seasonal).
• see and smell the fascinating process of essential oil distillation.
• participate in a thematic discussion.
• enjoy a cup of tea infusion (3 different plants) and Nairian made dried apples in our garden gazebo.
• buy Nairian products at a 10% discount.
