Buduart Budu Art

BuduArt's paintings and ornaments reflect the beauty of the Dilijan forests. Founded in 2008 by professional painters, jewelers Arman Badeyan, Margarita Malkhasyan, it is a gathering place for "handicraft brands", "artists" and "art lovers".
BuduArt is a gallery open for visitors to explore their masterpieces and works of art. Explore your creative side by making jewelry with the help of Arman and Margarita at the BuduArt workshop and studio.
We kindly offer you to take part in a carpet weaving master class in our studio, to get acquainted with the applied skills and the process of creating Armenian carpets, to learn how to knit a rug on your own. The participants, together with the master, try to knit the carpet with woolen threads on a pre-made already woven torque.
