

FRAGMENTS OF ITALIAN ART

📍 National Gallery of Armenia

👤 National Gallery Of Armenia

🏛️ National Gallery of Armenia and the 🇮🇹 Embassy of Italy to Armenia present the exhibition 🖼️ "Fragments of Italian Art in Armenia" dedicated to the proclamation of the Italian Republic, a remarkable event in the country's history.

This extensive exhibition featuring various epochs and dominating tendencies, artistic trends and diverse layers of Italian culture in Armenia for the first time continues the series of projects unveiling Italian rich heritage and history, art and culture in our museum and symbolizes the centuries-old friendship and profound ties of the two ancient civilizations.

About 100 paintings, graphic artworks and engravings, sculpture works and unique "fragments" of decorative-applied art, dating back to the 14th-20th cc. and making a significant part of the 🏛️

Gallery's foreign art collection, present 600 years of Italian art development and display the true masterpieces the museum collection.

🔍 The exhibition includes works by the world-renowned artists as Tintoretto and Ricci, Guercino and Strozzi, Guardi, Canaletto, sculptors Donatello and Canova, brilliant masters of drawing and engraving Farinati and Piranesi, Cambiaso and Pannini, and others.
