Arpa Protected Landscape "ARPA" Environmental Foundation

“Arpa” protected landscape is a specially protected nature area covering more than 3000 hectares. It is considered as a hotspot of biodiversity, since the area is home to rare, endangered species of plants, animals and birds registered in the Red Book of RA and the IUCN Red List. Our off-road tour takes you places many are eager to explore, and leave you with unforgettable memories of the landscapes and wildlife of Vayots Dzor. Learn about the red rock geology of the area, admire the most cultural and historic structure such as Noravank Monastery, while taking in the breathtaking panoramic views.
