

Winemaker's Table-Areni Cliff

📍 Arpa Protected Landscape

👤 "ARPA" Environmental Foundation

Arpa Protected Landscape, together with 2492 Travel offers a "Winemaker's Table-Areni Cliff" experience to spend a day in nature with a lovely, impressive, and delicious menu. For those looking for dramatic views, we suggest choosing Areni Cliffs, where your journey will start from Areni village, you'll travel off-road to the spectacular heights of Noravank Canyon and find yourself in a beautiful environment of the ARPA Protected Landscape.

By choosing this option, your dining table will have a crystal clear view of the 13th-century Noravank Monastery below, and you will have the opportunity to witness the majestic bezoar goats that meet on the rocks surrounding.

This experience will give you the opportunity not only to explore the rich culinary traditions of Armenia and see the wildlife up

close, but also to become a part of it. And you will definitely like delicious and colorful dishes.
