

Silicon Mountains Lori 2025

📍 COAF Smart Center, Debed 🏠 Free

Silicon Mountains is coming to the Lori mountains!

The Union of ICT Employers continues to uncover Armenia's regional technological potential.

This year, we're kicking off the most cutting-edge event—Silicon Mountains—from northern Armenia.

On May 15, the Silicon Mountains Forum in the Lori region will bring together technology leaders and top experts on one platform to discuss:

- AI and automation
- Smart digital infrastructures

Cybersecurity and data protection

For pre-registration: <https://www.upstart.am/course/136?autoOpen=true>

As part of the forum, we will also host an expo, open to ICT companies and beyond.

Lori, we're on our way!
