

Sevan Startup Summit 2024

📍 Seaside startup Sevan  15000.00 - 75000.00 AMD

In the attractive setting near Lake Sevan, Sevan Startup Summit 2024 unfolds as the sixth edition of the region's largest annual startup growth summit. This campsite-based startups festival has become the epicenter of entrepreneurial energy, drawing innovators, investors, and enthusiasts alike. Beyond the traditional conference setup, SSS is a non-formal business forum where connections are forged around campfires and deals take shape beneath the stars. At the heart of this experience is a micro-acceleration program, propelling startups towards success. SSS24 is not merely an event; it's an investment and deal-making platform that transcends boundaries, fostering a spirit of

innovation. Join us in the last week of July as we continue to script the story of SSS.
