# Constitution day

 National event

 Free

This holiday is dedicated to the 1995 Constitution of Armenia, which was developed and adopted after the country left the Soviet Union. The new state law became the basis for a democratically elected multi-party government.

Constitution Day is also celebrated as the Day of State Symbols - the flag, coat of arms and anthem.

This day is usually spent with the family, or participate in events organized to promote the history and culture of Armenia, watching the fireworks in the evening.
