OpenUP. Episode 6 guesting Samvel Martirosyan | with Arpi Karapetyan

⊙ Yerevan　　🎟 Free

? At OpenUP. Episode 6 on March 4, Arpi Karapetyan will host Samvel Martirosyan, co-founder of CyberHUB, a company specializing in cybersecurity. Samvel is also the co-founder of Metascale, a company focused on digital marketing and business growth. Additionally, he serves as the Head of Marketing at ARDY Academy.

He is the Director of the ArmSec Foundation and runs a column on Media.am, covering topics related to the media industry. Samvel also teaches at "Aregnazan" Educational Complex.

For many years, he worked as a human rights advocate, later transitioning into journalism and editorial roles. He has also taught at several universities across Armenia.

? So, this time we will have a conversation with Samvel Martirosyan, during which we will try to discover the multi-layered and beautiful essence of his personality in all its manifestations with the help of various exercises, questions and games.

? Be ready to be open and proactive and try to discover not only our guest, but also yourself.
